

## The Hull York Medical School Pre Hospital Care Programme

### PCP Academic Travel Contribution

Members of the Pre-Hospital Care Programme are expected to attend the majority of academic events, including academic forums and development days. This is not always feasible, depending on the site that the event is based. To combat this, we have devised a travel contribution scheme depending on site travelled from and number of members transported. This is only available to students participating in the programme.

Contribution amounts between sites:

	Hull	York
Hull		£6
York	£6	
Scarborough	£6	£6
Scunthorpe	£4	£7
Grimsby	£5	£10

The contribution will depend on the number of PCP members transported to a maximum of four, including the driver. For example:

Grimsby to Hull with a total of 4 students, is reimbursed £10

Grimsby to Hull with a total of 2 students, is reimbursed  $x \text{ £10} = \text{£5}$

To claim for a reimbursement you must ensure that you fill in the travel reimbursement sheet at the event including details on:

- Base site
- Name
- Names of accompanying students
- Signature

The Pre-Hospital Care Programme committee have introduced this scheme to reduce transport issues between sites. It is therefore beneficial to contact other members of the Pre-Hospital Care Programme in order to share transport to academic events. If you are the only PCP member attending from your base site, you can claim for the full contribution.

If you have any questions about this scheme, please email [pcp@hyms.ac.uk](mailto:pcp@hyms.ac.uk)
